

## **Health Care Accreditation Council**

### **HCAC 4<sup>th</sup> Quality Conference & Exhibition**

**December 04 – 06, 2017**

#### **Dr. Edward (Ed) Chappy**

---

Dr. Edward Chappy is Project Director of the Human Recourses for Health in 2030 USAID funded activity in Jordan. From 2005 to 2013, Ed headed the USAID funded Jordan Healthcare Accreditation Project and was instrumental in establishing the Health Care Accreditation Council, Jordan's healthcare accreditation agency. In 2014, he helped Rwanda and Afghanistan develop their national five-year quality and accreditation policy and strategy, and assisted the Central Board for Accreditation of Healthcare Institutions of Saudi Arabia to prepare for the International Society for Quality in Health Care (ISQua) ISQua accreditation, developing their strategic plan, and a plan to link health facility licensure and accreditation.

Ed has a B.A. in psychology and business, a M.Sc. in public health care administration, Roosevelt University, Chicago, a certificate in health policy and planning, Leeds University, UK and completed his doctoral studies at the University of Western Sydney and University of Phoenix. He is an ISQua Fellow and Expert and an American College of Healthcare Executives Fellow.
