

Health Care Accreditation Council

HCAC 5th Quality Conference & Exhibition

November 11 – 13, 2019

Anastasia Sayegh

Anastasia Sayegh - is

- the founder of Process Excellence Systems - Middle East Office
- She is a Certified Lean Master and is also a Master Six Sigma Black Belt (LSSBB) through the Villanova University in the US.
- She is a lecturer and keynote speaker at several universities and conferences on subjects related to Process Excellence and Continuous Improvement in Healthcare and other industries.
- Ms. Sayegh is also the coauthor of the “Roadmap for the Lean Hospital” with the principles of Leonardo Group Americas, her new partners.

Her focus, in running Process Excellence Systems, is to transfer her knowledge and experience with the Lean Mastery Program and the Strategic Lean Roadmap to develop problem solver thinkers who are self-reliant in deploying Lean throughout their organizations
