

Health Care Accreditation Council

HCAC 5th Quality Conference & Exhibition

November 11 – 13, 2019

Triona Fortune

Triona is Managing Director of Fortune Quality Accreditation Services (FQAS) and has been working with governments to develop their own health and social care external evaluation systems, including accreditation, regulation and licensing for over 18 years. She also has over 20 years' senior executive management experience specializing in corporate governance and human resource management. Before setting up FQAS Triona was DCEO of ISQua where her work continues as one of their Experts and Surveyors. Triona received ISQua's Life Time Achievement Award in 2017 for her work on patient safety in lower income countries.

Triona continues her work with the World Health Organization as an Expert Advisor on various patient safety and quality initiatives. Commencing her healthcare career as a nurse and midwife, specializing in emergency care, she obtained her academic qualifications from Trinity College Dublin
